## Why Barbados?

- Barbados’ long, white sandy beaches are among the best in the world and a true taste of tropical paradise.
- Famed for its great nightlife, the south coast is home to the liveliest bars and clubs while the glamorous west coast is for the more refined with plenty of gourmet restaurants and trendy bar lounges to choose from.

# Personal Viewpoint

The spectacular position of The Atlantis Historic Inn on Barbados' east coast blew us away, figuratively speaking! The breezes here are certainly constant, but cooling and delightful.

The oversized rooms are seriously romantic – imagine throwing open your bedroom shutters to the wild Atlantic Ocean waves, slipping back into the luxury of your four poster bed and watching the sun rise in the Caribbean – this is the place to do it.

The hotel is family run by very hands-on owners who understand the meaning of unpretentious luxury, this delightful escape is the hotel to spend a few days relaxing, perfect to combine with a west coast hotel or resort property. There's also a great restaurant again with views to die for.
