SAINT LUCIA

FROM HOTEL CHOCOLAT

RABOT HOTEL – IS A SPELLBINDING GETAWAY ON THE ISLAND OF SAINT LUCIA.

Set in the rainforest on Hotel Chocolat's working cacao farm, the hotel overlooks a UNESCO World Heritage site and the island's iconic Petit Piton Mountain. Comprising of 25 private lodges, an open-air restaurant, infinity pool, bar, spa and its very own immersive chocolate making experience at Project Chocolat.

The hotel reconnects guests with nature by way of open-air architecture and sustainable earthy materials - it's a place where the sounds of the rainforest replace the noise of day-to-day life, stimulating and inspiring relaxation like no other place on earth. It is a Caribbean paradise!

RABOT RESTAURANT

Rabot offers an exclusive cacao cuisine menu, extensively using the cacao grown on Rabot Estate - exploring both its sweet and savoury nature.

The restaurant utilises superb local produce found on Saint Lucia - from the huge array of fresh fish and seafood to delicate salad leaves, vegetables and plentiful fruit grown on the estate and locally.

THE CACAO BAR

The Cacao Bar, set within Rabot Restaurant, has magnificent views with the Petit Pitons, which makes a dramatic setting for sundowners. Explore the cocktail menu, which puts fresh cacao, premium spirits and beautifully ripe local fruit to the best possible use - try one of our signature chocolate cocktails for the ultimate indulgence!

ACTIVITIES & WEDDINGS AT RABOT

Infinity Pool, Spa, Poolside Yoga, Estate Trail & Much More...

If you're looking for alternative things to do during your visit to Saint Lucia, Rabot offers a varied daily selection of activities, such as poolside yoga, wellness therapies and massages at the Beauté de Cacao Spa, chocolate and rum tastings, picnics, herb garden visits with the Head Chef, or even a trip to the local market in Soufriere to learn more about local, sustainably sourced produce. Or take out Rabot's very own boat to explore the beautiful Caribbean coastal scenes and wildlife.

Your wedding ceremony can take place in a variety of locations on the 140-acre estate, all of which boast dramatic beauty that is quite different to the usual Caribbean Wedding.

PROJECT CHOCOLAT
