Why Sandy Haven Resort?

- A stylish boutique hotel with great character and easily affordable for that luxury Caribbean break
- Sandy Haven has to be one of the best placed hotels in Jamaica. It's located on Negril's famous seven-mile strip of pure white sandy beach, known as the best beach on island
- It's near enough to local bars and restaurants, but far enough to get away from it all. You feel like you're in your own calm oasis at the resort, yet you can be in the heart of Negril in 10 minutes
- One of the few small boutique hotels on the 7-mile beach that offers a variety of meal plans from Bed & Breakfast to Platinum All-Inclusive, with Dine-Around options
- The convenience of having all the modern day facilities of a contemporary hotel with an authentic Jamaican vibe, which is difficult to find
- Individually designed guest rooms are comfortable and spacious, especially those with the beachfront location
- A private and romantic resort that's very popular for weddings and honeymooners, with fantastic wedding and honeymoon packages available

Why Jamaica?

- Jamaica's diversity makes it an exciting and vibrant destination. From the Blue Mountain range down to the golden sandy beaches. Jamaica is oozing with natural beauty and there's always something to do
- The island is rich in culture; explore Bob Marley's history and take part in celebrations at the Jerk Festival during summer
- Jamaica is a world-class destination for golf, as well as many other sporting activities including land and water based sports, hiking trails and river rafting. The more sedate pursuits such as bird watching and discovering the natural flora and fauna are also options for less active types.
- Jamaicans are great entertainers and renowned artisans so part of any itinerary must include a visit to a Rum shop, Jerk station, art gallery or a market just to enjoy their unique spirit
- Negril is known as the 'capital of casual' and is the perfect escape from the daily grind with its laid back ambience and phenomenal sunsets

Personal Viewpoint

Sandy Haven offers true boutique luxury on Negril's famous seven-mile strip of powder white sand beach, a perfect beachfront setting; this is 'contemporary boutique' at its best.

The décor is exquisite and contemporary with Jamaican art dotted around the property and the pops of vibrant colour give a stylish nod to Jamaica. The advantage here is that the hotel has various meal plans available, and with Negril's buzzy 'hip strip' just on the doorstep, guests can experience restaurants and bars during the day or night.

In our opinion, Sandy Haven is a perfect small, privately-owned stylish resort, where the atmosphere is casual with a cool laid-back Jamaican vibe, all available for a very keen price.
