## Why Little Good Harbour?

- A superb all-suite hotel set amongst lush, tropical gardens with direct beach access. Situated in a quiet fishing village on the North West coast of Barbados, which conjures up images of the old Barbados
- Little Good Harbour offers the best of both worlds - the privacy and facilities of a villa with the services and amenities of a hotel
- Fort Rupert, a historic site, is the focal point of this delightful resort
- Local Caribbean art, Balinese furnishings and the local landscape are reflected throughout the décor of the 20 suites. The fishing boats moored on the coastline add to the tranquillity of this oasis
- The hotel's famous water's edge restaurant, The Fish Pot, has become a popular spot for food aficionados, both locals and visitors alike
- Guests can enjoy the quiet at Little Good Harbour, yet have easy access to the activity and excitement of the fashionable and exclusive West coast, just 15 minutes away
- Six luxurious 3-Bedroom Vineyard Suites are very popular with families. These suites offer a great living space with sexy décor in neutral shades that remains distinctly tropical in design
- The owners of Little Good Harbour acquired and refurbished the historic Atlantis Historic Inn in 2009, located on the East Coast of Barbados. Combining the two makes for an appealing East Meets West 2-centre holiday

## Why Barbados?

- Barbados' long, white sandy beaches are among the best in the world and a true taste of tropical paradise
- Famed for its great nightlife, the south coast is home to the liveliest bars and clubs while the glamorous west coast is for the more refined with plenty of gourmet restaurants and trendy bar lounges to choose from
- Check out the fabulous coral reefs on a catamaran cruise or try diving. If you would like to explore the underwater world and stay dry, you can take a submarine from Bridgetown. There are also great surfing opportunities on the East coast.

# Personal Viewpoint

We feel Little Good Harbour offers something a little different, particularly due to its location away from the bustle of the ever-developing West Coast. The historical aspect is certainly part of the appeal of the property, and the original 17th century fort has been carefully and tastefully restored to create the restaurant and bar as well as two of the hotel's luxury suites.

The other buildings which house the One- and Two- Bedroom Suites are delightful, designed as Caribbean-style guest cottages and very in keeping with the surrounding environment. The Vineyard Suites offer villa-style accommodation to discerning guests seeking a relaxed resort. Sister hotel The Atlantis Historic Inn offers chic suites with a delicious restaurant. Perfect for a short break from the West Coast.

# A Day in the Life of a Guest at Little Good Harbour

With the Fish Pot Restaurant across the way, begin your day with a sumptuous breakfast.

Hire a jeep and discover Barbados' capital, Bridgetown in the Southwest corner of the island. Explore a little further and have lunch at sister hotel, The Atlantis Historic Inn, situated on the dramatic East Coast.

After a delicious lunch at The Fish Pot, take a stroll through the gardens to the Little Spa and indulge in a full body scrub and massage.

Plan an afternoon activity. Watersports and golf can be arranged locally by the hotel – just ask at reception and they will be happy to assist. You could also opt for a catamaran day trip or sunset cruise from the hotel's dock.

On Friday at 5pm, the local Fishermen bring their catch of the day to the village next to Little Good Harbour and so why not enjoy a delicious Fish Fry - the local event of the week.

Despite the amazing choice of gourmet West Coast restaurants in Barbados, the Fish Pot is one of the best for dinner. A complete contrast, though, would be to drive to the Fish Market, just 5 minutes up the road, where 'fish of the day' with rice and peas is available for just a few dollars. If eating out is not your 'thing', a local cook can be booked to make you a delicious meal in the comfort of your own suite.
